REMARKS

Claims 1-11 are pending, of which claim 1 is independent. Claims 9-11 are added to provide Applicants with the protection to which they are deemed entitled. Claim 9 limits claim 1 by requiring the data to be external and attached to the container. As filed, claim 1 includes broader language. Claim 10 is similar to claim 2 but should not be interpreted under 35 U.S.C. §112, sixth paragraph. Claim 11 is similar to claim 8 but more specifically recites the media handler through which the content is passed.

Added claims 9, 10, and 11 are allowable for substantially the same reasons advanced in the Amendment filed October 22, 2004, for claims 1, 2, and 8, respectively.

Favorable consideration and allowance of the application are respectfully requested and deemed in order.
